Dear Member,

## Tram & Bus E-News

### Traineeships

Since 'contestability' was announced, Council Policy had been to employ only casuals and not to progress existing casuals to trainee. Your Union was always opposed to this and fought for more traineeships to be made available to those casuals interested. Well, the pressure has paid off and casuals who were in limbo are now being progressed to traineeships. The Union will continue to push for permanent employment for our casuals who want to make the move. Casuals interested in a traineeship should notify their Delegate who will continue to push for your progression.

The future for Brisbane Transport looks more certain now than at any time in the last couple of years.
