Circular No: 56/2015

Date: 21 August 2015

Dear Member,

MUA Sackings

Thanks to all those who came out to support the MUA members sacked by text message and those who posted messages of support.

The RTBU managed to maintain a presence at the Port of Brisbane throughout the week until the Fair Work decision came through.

The MUA is maintaining a presence at the Curlew Street entrance to the Port through the day. RTBU members are welcome to join them.

Unity is Strength

Tom Brown
