Dear Member,

Bus E-News September 2015

Medical Certificates Petition

Members should be aware that a petition is in circulation calling on the Lord Mayor to intervene and amend the policy on medical certificates to protect doctor – patient confidentiality.

Many members have been outraged at being forced to ask their doctor to provide confidential information on a medical certificate or being made to provide additional information.

Hundreds of angry employees have already signed the petition which is available at every Depot, just ask your Delegate.

Union Picnic

The 28th Annual Tram & Bus Picnic is on Sunday, 18 October at Rocklea Showgrounds. Ask your Delegate about a bus from your Depot.

Union Shield Golf Day

Get into golf! Sunday, 1 November at the Riverlakes Golf Course. Beginners are welcome to enjoy another fun day with your workmates.

Unity is Strength
