Circular No: 70/2015

Date: 16 October 2015

Dear Member

## 2015 Enterprise Agreement

As members are no doubt aware by now, the ballot whether or not to accept the 2015 Enterprise Agreement returned a "no" vote. This shows that a large element of our membership are not satisfied with the agreement in its current form and the RTBU will therefore pursue this matter further on behalf of its members.

The Union has had some preliminary discussions with Pacific National management since the result of the ballot was known and will meet with Pacific National on Monday in respect of this matter. In the meantime, the RTBU is taking the step of balloting our members in respect of potential industrial action.

It is essential to ensure that we maximise our position in any future negotiations that we receive yet another resounding yes vote from Pacific National members.

Naturally your Delegate will be involved in any formal negotiations on an approved offer from Pacific National.

Unity is Strength
