Dear Member

Dispute: Barracks Allowance (Update 1)

Thank you to all those members who have already emailed me overnight with some great information and recounting issues that have been raised with Pacific National.

It has come to light that barracks allowance has already been removed from camp jobs out of Sarina and drivers are asking "what consultation?" and that it is planned to remove the allowance from Bowen drivers on the 1 November again with drivers asking "what consultation?"

Your union eagerly awaits Pacific National's response to our latest communication on this matter.

Members will be kept up to date on the response from Pacific National.

Unity is Strength
