Dear Member

RTBU Secures Compensation Payments For Qld Rail Workers

The RTBU has been successful in negotiating almost a half a million dollars in compensation payments for our regional civil maintenance workers in Qld Rail's Regional Network areas.

Following the Union achieving these payments for workers in the South East rostered outside the provisions of the Agreement at the end of 2014, the RTBU discovered that members in the regional areas covered by the 'Civil Maintenance' schedule of the Qld Rail Network Agreement were also being rostered outside the provisions of the agreement.

As a result of meetings to discuss compensation for the breach, an MOU has been signed off for how the payments are to be applied and to whom. Members will now be sent a 'Deed of Agreement' to sign before they will be eligible for payment. Once the deed is signed it should only take around 14 days for payments to be made.

If any members find that they have not been included on the list but should have been, they need to advise either their Supervisor or delegate so it can be checked to see if you meet the set criteria for payment.

Unity is Strength
